

Helping Yorkshire

EBOR COMMUNITY SWEEPSTAKE

The Ebor Community sweepstake is an innovative initiative which seeks to thank, celebrate and reward some of the countless thousands who have helped others in the county.

Working with our partners at Sky Bet and others, we invited nominations. Out of the 100+ entries, we now have shortlisted 22 who will all be joining us on Saturday - they will each be assigned a runner in the Sky Bet Ebor and the charity or community group attached to the winning horse will receive a prize of £20,000. What is more, the second placed horse will earn £5,000 for its connected good cause, £2,000 to the third place duo and all the others benefit from a £1,000 donation.

Post Impressionist (IRE)
