PROPER HOSPITALITY

Lord Grimthorpe, Chairman of York Race Committee welcomes you for a proper British racing experience

“A proud tradition of staging the very best of thoroughbred racing dating back to 1731”

Everyone at York Racecourse wants you to join us during the 2020 racing season.

Hopefully, this guide will whet your appetite for spending a day with us this summer.

York Racecourse has a proud tradition of staging the very best of thoroughbred racing dating back to 1731. We are honoured to host the £1million Juddmonte International, previously ranked the best race in the world and the £1million Sky Bet Ebor, Europe’s richest flat handicap.

We have no beneficial shareholders and pay no dividends – everything we make is reinvested into prize money, facilities and the raceday experience, so thank you in advance for your support.

Please do not hesitate to contact the team here if you have further queries (see the back page for their contact details).

I very much look forward to welcoming you.
